Re: Brandon Barnes v. City of New York, et al., 19-CV-7275 (MKV)

Your Honor:

I am an attorney in the Office of Corporation Counsel and I represent defendants Pizarro, Pimentel, and The City of New York ("Defendants") in the above-referenced matter. Defendants write to respectfully request *nunc pro tunc*, an extension of time to file the proposed case management plan and joint letter in advance of the initial conference scheduled for September 10, 2020. Plaintiff's counsel, Rose Weber, consents to this request.

I have unfortunately, been on FMLA leave due to pneumonia and other health issues since August 20, 2020. The parties began working on the documents before I went on leave, and I believe that we will be able to complete them by September 9, 2020, despite my continuing health issues. Accordingly, defendants respectfully request an extension to September 9, 2020 to file the proposed case management plan and joint letter with the Court.

Defendants thank the Court for its time and consideration of this matter.

**Granted. SO ORDERED.**
